

The 2017 Expo for Women Ladies Day Out Celebration presents

## Angel Awards Pay Tribute in Michiana

Some call it one of the most heart-warming happenings of the Michiana Shop & Greet Cocktail Party for Charity, the presentation of the annual Angel Awards.

The purpose of the Angel Awards is always to recognize special people in our community who “give back” by contributing to the success of a Michiana Area Charity. However, this year, we are expanding our reach to honor eight to ten individuals and/or organizations that are chosen by our 2017 charities, Dismas House and Hello Gorgeous. Those chosen are volunteers and/or organizations that most often, very quietly, support the important work of these organizations. Dismas House provides housing and support to men and women re-entering our community after incarceration. Hello Gorgeous provides beauty makeovers for women recovering from cancer restoring the beauty that cancer often steals.

Our 2017 Angel Awards are beautifully designed, granite plaques created and provided by Goodwill Industries of Michiana.
